Wizard

Intelligence : 13 : 5

Cantripss:

Fire Bolt: A beam of fire shoots toward a creature, dealing 1d10 fire damage on a hit.

Mage Hand: Creates a spectral hand that can manipulate objects. It can't attack, open doors, or carry more than 10 pounds.

Prestidigitation: A minor magical trick that creates small sensory effects, cleans or soils objects, lights candles, or chills/warms nonliving material.

Spellss:

Mage Armor: You touch a willing creature and protect them with magical armor, giving them 13 + Dexterity modifier AC for 8 hours.

Burning Hands: A cone of fire erupts from your hands, dealing 3d6 fire damage to creatures in a 15-foot cone (Dex save for half).

Detect Magic: You sense the presence of magic within 30 feet of you for 10 minutes.

Magic Missile: Creates darts of magical force that hit automatically, dealing 1d4 + 1 force damage each.

Chromatic Orb: You throw an orb of energy (acid, cold, fire, lightning, poison, or thunder), dealing 3d8 damage of the chosen type.

Feather Fall: Slows the fall of up to five creatures, preventing fall damage.
